

FREE HOME ENERGY SAVINGS WORKSHOP

FOR NEW HAMPSHIRE HOME OWNERS

Learn how to weatherize your home to **stay comfortable** and **reduce energy bills**.

Learn about **reducing the energy needed to heat your home**, insulation and air sealing, energy audit and weatherization program, **rebates** and **other incentives** provided by the NH Saves program – plus **easy and affordable tips and tricks** anyone can do!

Presenter: Bob Eldredge, certified energy auditor

cleanenergykeene.com/button-up

Jan. 25*

6:00-7:30pm

Keene Parks and
Recreation Center
312 Washington St.
Keene, NH

*Alternate inclement weather date: Jan. 31.

BEFORE

Oh honey, I know you're cold but if we turn up the heat our bills will go up!

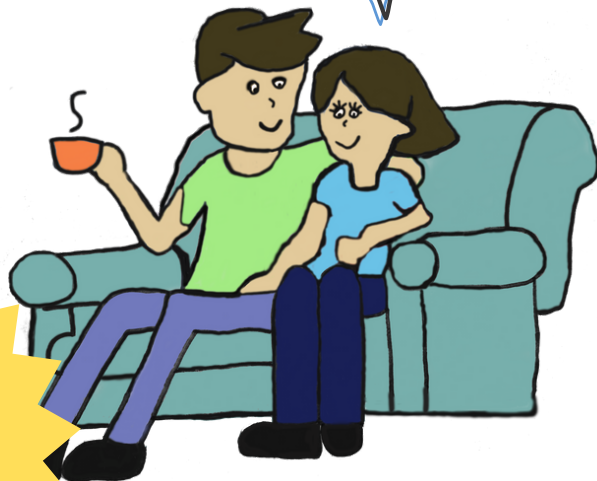

Maybe we should weatherize...

AFTER

It's so warm and cozy...

...and we're saving so much money!

Save up to
\$6,000 for
weatherization
with **NHSAVES**
& **IRA** incentives

Keene Energy and
Climate Committee

Workshops are compliments of the NH and VT Energy Professionals, dating back to 2010 as a grassroots volunteer campaign to educate homeowners.
